

Xerox® WorkCentre® 5945/5955

Multifunction Printer

Key Features

Value Proposition

Featuring our groundbreaking Xerox® ConnectKey® Technology, we designed the WorkCentre 5945/5955 with a powerful mix of features and capabilities that help you get more work done in ways you never imagined. Your customers will benefit from the best combination of groundbreaking ease-of-use, leading-edge security, convenience for today's mobile professionals and productivity-enhancing solutions. With fast copying and printing – up to 45 ppm or up to 55 ppm – there's more than enough speed to meet the needs of any busy workgroup, with the built-in capability to adapt to tomorrow's demands.

Productivity that will surprise.

- The WorkCentre 5945/5955 helps turn out great work at an impressive copy and print rate of 45 to 55 ppm. It's more than enough speed to keep any workgroup up to speed.
- At up to 200 images per minute, users will enjoy incredibly fast single-pass color duplex scanning for more impressive color communications and quick electronic distribution.
- Create a dedicated, easy-to-use scan button on the device's color touchscreen interface using the Single Touch Scan feature. Each Single Touch Scan button created can be assigned its own scanning workflow for fast document distribution and archiving.
- A 4,700 sheet paper capacity means longer runs with fewer interruptions. Plus, multiple finishing options give added flexibility for both simple and complex jobs.
- Exceptional print and copy quality. Experience true 1200 x 1200 dpi using the latest Xerox® Emulation Aggregation (EA) Toner.
- Print from and scan to any USB memory device. Enjoy walk-up simplicity and faster document delivery – even when not at the computer.
- Xerox Extensible Interface Platform® Serverless technology allows creation of applications to run on Xerox® devices built on Xerox® ConnectKey® Technology without the need for additional IT infrastructure. This allows you to simplify and personalize the usability of the device with a range of capabilities from support applications to scanning.
- The Xerox® WorkCentre 5945/5955 was designed with ease-of-use in mind. Routine maintenance is streamlined by the completely accessible paper path. No need to call tech support.
All printers have components that eventually wear out. Simple slide-in, slide-out replacement keeps you up and running. And as a result of advanced technology, there are fewer consumables in the end.

Simplicity never looked easier.

- Intuitive, easy-to-use color touch screen. Control workflow with ease right from the home screen interface using the bright intuitive icons and functions Xerox® devices are known for.
- Less user intervention. More uptime. Longer lasting toner delivers greater efficiency and superior image quality and can be replaced by any user. A great way to cut down on unnecessary service calls and job interruptions.
- Quick and easy, step-by-step assistance. Our help desk is always available with help videos that can be accessed right on the user interface.
- Install, upgrade and manage devices from a single print driver. Xerox® Global Print Driver® provides a consistent, easy-to-use interface that allows IT administrators to monitor and manage Xerox® and non-Xerox® devices while reducing support calls and simplifying print services management.
- Simplify everyday office tasks with advanced copy and print features. Enjoy plenty of support for specialized print applications including Annotation, Bates Stamping, ID Card Copy and page-level programming.
- User comfort and consistency. Because it uses the same controller technology as our other current multifunction printers, the Xerox® WorkCentre® 5945/5955 delivers a consistency and comfort level users look for and appreciate. For more information about our groundbreaking Xerox® ConnectKey® Technology, visit www.xerox.com/connectkey.

Conservation Built-in

- Power save with quick start-up conserves electricity during downtime while keeping the device ready for action.
- Full compliance with the EU Restriction of Hazardous Substances (RoHS) Directive, Environmental Choice and the stringent ENERGY STAR® TEC Version 1.2 standards.
- Multiple print settings are available that allow for reduced impact on the environment. Options include default two-sided printing, proof print, printing on recycled paper and draft mode.
- Our innovative Earth Smart print driver settings let users select the most environmentally conscious print options.

Work more securely than ever before.

- Protect against data breaches. Compliant with the 256-bit AES FIPS 140-2 standard, the WorkCentre 5945/5955 safeguards all sensitive data with encrypted PDF files for scanning and hard drive encryption. You can also ensure total deletion of all data fragments with a 3-pass image overwrite feature.
- Keep unauthorized users out. Xerox user permissions, network authentications, IP filtering and smart card features ensure that only authorized users have access to the device.
- Keep a step ahead of security threats. Xerox proactively monitors security clearinghouses for new threats as they emerge and provides patches when needed. This ensures that your device's security is current and your data is safe. In

In addition, you can receive up-to-the-minute RSS feeds and stay informed via www.xerox.com/security.

- Stay current and compliant. Whether you work in government, finance or healthcare or other industry, WorkCentre 5945/5955 devices comply with the latest security standards including Common Criteria (undergoing evaluation), HIPAA, Data Protection Act, COBIT and more.
- Achieve total visibility. By providing total visibility into your device and network, the WorkCentre 5945/5955 prevents IP theft and ensures non-repudiation. With security policy management and tracking of all activity on the device with Audit Log, you can know who accessed what and when.
- The WorkCentre 5945/5955 includes McAfee® technology integration, resulting in the industry's first lineup of multifunction printers that protect themselves from potential outside threats. McAfee's whitelisting technology ensures only safe, pre-approved files or functions are executed on your devices, minimizing the need to manually update software levels against new security threats. Also, seamless integration with the Xerox® Managed Print Services toolset and McAfee ePolicy (ePO) allows for easy tracking and monitoring.
- Automatic Cisco® TrustSec Identity Services Engine (ISE) integration provides comprehensive visibility of all ConnectKey enabled MFPs' endpoints to enforce IT-centric security policies and compliance.

Be ready, wherever your business takes you.

- Be free with optional Wi-Fi connectivity. Keep workers connected to devices anywhere, without the need for hard-wire cabling and connections.
- Print email, photos and important office documents directly from an Apple iPhone® or iPad® with no drivers to install and no cables to connect. With AirPrint, the iPhone or iPad automatically locates and connects to the AirPrint-enabled WorkCentre 5945/5955 over the office Wi-Fi network.
- Take the mystery and anxiety out of wireless and mobile device printing. Xerox has all the options to enable secure, accurate printing from most mobile devices, to any printer or multifunction printer, regardless of brand. Get industry-leading accuracy when printing native PowerPoint®, Word® and other standard files. Plus, Xerox offers IT-friendly optional capabilities such as PIN code access, multiple mobile operating systems and more. Whether offsite or onsite, learn more about why Xerox is the only choice for today's mobile professionals by visiting www.xerox.com/mobile.
- The Remote Control Panel allows IT staff to remotely view and control the user interface and makes it easier and more convenient to train users. And during a remote session, walk-up users are notified at the device to prevent simultaneous system changes. Plus, advanced print drivers and free device management tools let you remotely monitor real-time performance and available resources for greater uptime.

Extend the Possibilities.

Whether scanning and managing documents on an office network or a hosted cloud on the Internet, users can access scan workflow solutions right from any WorkCentre 5945/5955 thanks to the power of Xerox® Workflow Solutions*, built on our Xerox Extensible Interface Platform®.

- Xerox® ConnectKey® for SharePoint® or Xerox® ConnectKey® for DocuShare®. Scan files directly into Microsoft® SharePoint or Xerox® DocuShare® and other Windows® folders. Plus, you'll go beyond basic file storage and PDF creation by automatically converting documents to intelligent, structured data with easy file naming and routing tools.
- Xerox® ConnectKey® Share to Cloud. Our cloud-based scanning solution provides easy, secure, scalable scanning to popular cloud-based repositories such as Google Docs™, Salesforce.com, Office 365 and Dropbox™, using custom-designed workflows that leverage our Xerox Extensible Interface Platform technology.
